Either start time works, but let us know as soon as you can. He has one stop he needs to make before the luncheon, but timing is flexible.

Thanks,

That s about right. We may need to make the luncheon 11:45 am - 1:00 pm, which I assume would work for you. We ll get that tied down in the next week or so.

Obviously, if he can come in earlier for the morning sessions, it will give him a better feel for the topic and the crowd, but I understand if that's not doable.

Bill

Good afternoon,
We have him attending on 10/17 from 12:15-1:30pm, speaking during the luncheon session with Mayor Strickland. Please let me know if that needs to change.
Thanks a bunch!

Not sure I ever answered your question. He needs to speak around 15 - 20 minutes, I think. Let us know if he plans to come in that day or the evening before (dinner?).

Hello,

Deputy Governor said he will be happy to be the luncheon speaker for the Symposium. How much time to you anticipating him needing to speak?

Thanks!

Jim,

As a follow up to our conversation, you will find attached (1) a DRAFT agenda for the October 17 Symposium with you listed tentatively as a speaker during the luncheon, (2) a two-page DRAFT summary of the Juvenile Assessment Center model which will be the focus of the Symposium, and (3) a Save the Date notice which gives a few details about the event.

I hope you will be in a position to participate. Just let me know.
